

Patent Agents Regina

Patent Agents Regina - A full range of services is obtainable to our clients, enabling them to meet all of their trademark and copyright needs quickly and efficiently. Amongst our firms specialties is to enforce trademark and copyright rights in trademark opposition litigation and proceedings. As well, we even help our clients in the legal clearance of trademarks and help guide them during the registration process. Our expertise and knowledge allows our clients to know the full value of the intellectual property and provides them with the resources and information needed to obtain the required protection.

Regardless of the size of the firm, we could provide effective and cost efficient resolutions to a number of clients. We offer help in the management of a portfolio of intellectual property assets, suggestion concerning an acquisition or licensing program, or assistance in regulating the uses of trademarks, logos, or slogans in the marketplace. The objectives and requirements of our clients is always important and our flexible method ensures that the demands of the marketplace are met in a timely manner.
