

## Regina Accident Lawyers

Regina Accident Lawyers - Our insurance experts act in the interests of the insurance industry in various concerns. These include defense of directors, officers and professionals; product liability claims, personal injury claims, class actions, subrogated actions and fire litigation. We provide the insurance industry with legal counsel at all levels of the Courts and have helped insurers in policy wordings.

On behalf of private insurers and Insurance Corporations, we act in several property and casualty claims. Our goal is to be able to provide clients with affordable solutions to insurance claims.

We provide corporate advice to insurers. Our long-standing relationships with many worldwide and domestic insurance market insurers enable us to provide the insurance industry with cost-efficient and professional counsel.

### Professional Liability

We assist in the development of professional liability policy wordings for engineers, architects and accountants, providing opinions and counsel about coverage and coverage disputes in these areas.

### Municipal Liability

Our partners advise local government members and their Commissions and Boards about policy wordings and coverage issues, as well as acting as counsel on liability and coverage issues on their behalf. We also act for municipalities in liability actions occurring out of fire connected losses and code enforcement.

### Directors' and Officers' Liability

Claims against officers and directors are dealt with effectively and quickly. We have knowledge handling coverage issues as control counsel for D&O carriers.

### Builders' Risk

We are involved in litigation connected to materials, faulty workmanship, and design exclusion in builders risk policies.

### Insurance Fraud

We could provide service to insurers in those matters about insurance fraud. The frauds may consist of coverage recommendation, defending the denial of fraudulent claims, and advancing claims on behalf of insurers against insured and third party service providers.

### Fire Losses

Our fire loss group is experienced in every part of fire related claims, delivering services in the most effective and focused way. We provide coverage recommendation as well as manage fire litigation from the preliminary investigation to the case preparation and presentation stages. We represent insurers when claims of bad faith and subrogation impact their direct interests.

### Class Actions

Our lawyers have worked on numerous high profile class action lawsuits involving product liability, financial services and insurance issues.
