

Best Criminal Lawyer in Regina

Best Criminal Lawyer in Regina - Our teams of merger and acquisition lawyers provide professional legal suggestion in the several M&A transactions, from the start to the post-closing integration. Our knowledgeable lawyers from our offices all around the nation have the practical expertise and knowledge required to handle the most complicated mergers and acquisitions. Our experts have knowledge of vital industry sectors - E-commerce, Automotive, CleanTech, Mining, Oil and Gas, Telecommunications, Technology, Manufacturing, Financial and banking Services, Real Estate, Transportation, Hospitality and Insurance - as well as expertise in international and local M&A transactions. Our M&A members maintain strong relationships with regulators and have in-depth knowledge of the regulatory and legislative realm.

Our M&A clients include a diverse range of major international and domestic corporations as well as entrepreneurs, controlling shareholders, emerging companies, financial institutions, governmental entities, privately held companies, public companies, private equity firms, special committees and board of directors, and management buy-out groups.

The work of our M&A group begins with first fully understanding a client's business goals and needs. We expertly identify and allocate risk before structuring, negotiating, and efficiently completing the transaction. Our focused and strategic approach applies to deals of any size and complexity. We deal with every situation with dedication to excellence. Our objective is to successfully devise innovative deals and taxation structures that will meet and exceed client expectations.

For the complicated legal and regulatory environment around M&A transactions, specialized knowledge is vital to success of whatever endeavor. Which is why our M&A Group works really closely with our firm's multidisciplinary professionals in competition/antitrust law, foreign investment review, tax, employment and labour, pensions and benefits, financing, environmental, intellectual property, real estate, international trade and customs, business immigration and government relations. If required, we provide extensive restructuring and insolvency skills to resolve challenges faced by distressed targets. When hostile situations associated to securities litigation issues or regulatory hearings arise, clients could depend on our firm's skilled litigation team.

By way of take-over bids, and amalgamations and plans of arrangement, we conduct privately negotiated purchases of shares or assets, public company mergers and acquisitions. From the first stages of a transaction through to post-closing matters, our Private M&A and Public M&A lawyers provide our clients with benefits with strategic and comprehensive recommendation. Our aim is to be able to offer solutions-driven transactional services in a reasonable and innovative way to attain your business objectives.
