

Regina Lawyer Directory

Regina Lawyer Directory - Legal advice is important to be successful within the world of finance. Our experienced lawyers provide superb customer service along with a breadth of legal skill to assist borrowers, underwriters and lenders to be able to reach their objectives. Worldwide and domestic clients each have their very own unique needs and our firm caters to both. International clients need a company with knowledge concerning the financial services regulator environment, as well as a through knowledge of the regulators themselves. Domestic clients require a knowledgeable law company which could effortlessly handle projects like structured finance, asset-based lending, asset securitization, project finance, loan recovery, insolvency restructuring, and banking litigation.

There are lots of banks, trust companies and financial institutions which rely on our service. Our financial sector experience is vast and we lend all that skill on each one of our products. We have expanded our firm during the years by adding specialized practitioners with a significant amount of knowledge within one or more fields of financial services.

Clients come to us since they know we will come to cost-efficient and practical solutions to even their most complicated cases. Our services are specifically tailored to their needs, making sure that they get up-to-date legal advice.

Our firm specializes in regulatory, insolvency, banking and financing issues. However, we also provide services regarding asset securitization, derivatives, equipment leasing, synthetic leases, asset-based lending and aircraft financing.
