

## Patent Agent Regina

Patent Agent Regina - Our lawyers specializing in Intellectual Property Law has numerous years of expertise and experience in developing new and innovative services, products, brands, and content for our clients. We can act on behalf or just advise our clients within the fields of technology and intellectual property law, focused on trademarking and unfair competition. We even deal with copyrights, internet law, entertainment, sports and art law, and associated litigation. We understand the investment you have in your intellectual property, and we give the skill required to realize maximum returns on your investment.

To be able to help protect Internet domain names, trademarks are of vital importance. Trademarks are great for dealing with the numerous "cyber squatters" who would attempt to steal your Internet customers. Our attorneys assist entrepreneurs in deciding on business marks and names which can be successfully registered and that would not infringe the rights of others. We also assist established businesses protect their existing brands.

Our lawyers help clients with the copyright registration procedure. We deal with instances of plagiarism, unlawful copying, and different unfair uses of client's protected expression. Our company knows that copyrights are truly vital to the success of clients within the publishing, art, music and recording industries, and along with software, manuals, photographs, business plans, catalogs, advertising copy, designs, and jingles.

When needed, our lawyers have had a great deal of success litigating unfair competition, domain name, copyright and trademark infringement disputes.

Our group assists with agreements for licensing intellectual property and collaborations for use and creation of intellectual property. Our services consist of assistance in negotiating and structuring assignments, licenses, and various transactions wherein intellectual property can be used and exploited commercially.
