

Car Accident Lawyers Regina

Car Accident Lawyers Regina - Class action suits present significant difficulties to businesses, governments and other organizations in today's litigious environment. Our groups of lawyers offer the needed technical and strategic skill required for a successful defense. We are pioneers in this difficult and evolving area of the law. Our ability to manage complicated, multi-party litigation is proven by our record in the field of class actions.

We have advised and acted in numerous high profile class proceedings. Our lawyers are regularly called upon to participate in, lead and coordinate the defense of multi-jurisdictional class procedures. Our skill encompasses mass torts like for instance products liability cases, pension's claims, other investor's and securities claims, biotechnology and commercial claims.

Our class action lawyers advise our many clients in some problems which have not yet matured into issued claims. Our litigators are here to help you in responding to class proceedings once commenced.

On the area of class actions, we are considered to be leading educators on the area. Our company includes members who have written articles and presented them at both international and national conferences.
