Regina Personal Injury Lawyer - Medical Malpractice

You may be entitled to compensation, if you have been hurt caused by a medical error. Mistakes which are made by health practitioners, doctors of medicine, and nurses may cause injury. These injuries may entitle you to some form of compensation for "general damages," likewise called pain and suffering. If you go through loss of income and ability to earn income due to your injuries, you could be entitled to compensation. Various types of compensation include home maintenance and housekeeping costs, and health care costs not covered by your medical insurance.

Slip and Fall

You may be entitled to compensation if you experience harm in a slip and fall incident. Depending upon the situation of your fall, your entitlement to compensation can include loss of ability to earn income and loss of income, "general damages," housekeeping and home maintenance expenses, and health care expenses over and above those included in your medical insurance. If the individual causing the injury has an insurance policy that can be accessed on your behalf, it is essential that legal help is sought early to prevent limitation period problems.

There are many various types of injury which can occur from the carelessness of injuries. These could consist of assault, wrongful death, and injury sustained on premises owned by others. These losses can effect the lives of the victims and their love ones deserve compensation.
