

Regina Personal Injury Lawyers

Regina Personal Injury Lawyers - If you are in an accident where you are hurt, wounded, whether it be something as ordinary as a slip and fall or something more complex like a car accident, our firm can help with your claim.

When injured, it is not only your physical health which suffers. Your overall mental state, home life, work situation and relationsis negatively impacted. Our firm provides understanding and kindness to help you go through this tough time.

We have a fairly easy approach. After finding out all the details of your case and figuring out who can be responsible, we can explain the methods to give you a better idea of the type of compensation you can be qualified for.

Our firm also offers home visits following an accident, if you could not travel or drive.
